ABOUT ME

A driven, positive, and self-motivated professional. Connecting with individuals and creating a high-performing culture is a priority. I use innovation and lateral thinking to meet the company's needs. I have a collaborative style and as such work well with teams.

KEY PROJECTS

- [projectLMA](#): a community of junior developers under one app, built in Flutter & FireBase
- [Live portfolio](#): personal portfolio built with HTML, SCSS, and JS.
- [groceryRun](#): a Python web scraper that does my grocery and sends me the list via email.

WORK EXPERIENCE

Socius Ltd

Data Research Associate

Jul 2019 - Mar 2021

- Led a team of 2 in successfully capturing and archiving a client company's history of over 21 years into a database, and reignited connections with past clients through the database.
- Conducted research that fed to successful client market penetration on new territory.
- Worked closely with the development team in testing and troubleshooting new client software as well as communicating customer needs/issues.

Socius Ltd

Intern Data Researcher

Feb 2019 - Jun 2019

- Took the existing database from 30% contactable to 75% contactable.

Playtopia MGA

INTERESTS & HOBBIES

- Hiking
- Video Games
- Spreading misinformation on the internet

Volunteer Staff

Nov 2018 & 2019 - Dec 2018 & 2019

"It's 3 days of games + art + music + talks, in a castle, in Cape Town, in summer! What more do you need to know?!"

Duties were mainly:

- Games/station setup & maintenance.
- Designated station guide for attendants.
- Post-event cleanup.

Boost Africa Foundation

Volunteer

2018 - 2020

Using decommissioned computer hardware, I was able to resurrect over 30 computers that were then donated to a government secondary school in Du Noon.
